

How to get to SCC by car

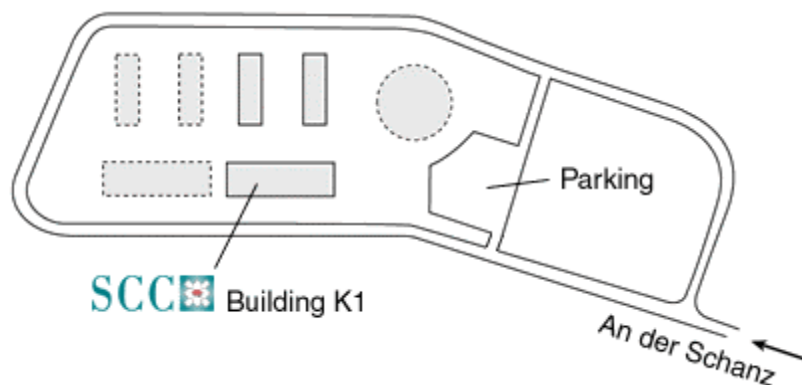

SCC can be easily accessed via two motorways:

- **A 63, Erbes-Büdesheim exit**
The "Erbes-Büdesheim" exit is the next exit after the junction of A61 and A63 close to the city of Alzey. Once you have left the highway, take the L405 in the direction of Bad Kreuznach to Wendelsheim.
- **A 61, Gau-Bickelheim exit**
Upon leaving the highway, follow the signs to Wöllstein (B 420). Once in Wöllstein, follow the signs for Wendelsheim/Alzey, driving through Siefersheim and Wonsheim to Wendelsheim.

- How to Find Us:**
 Following the signs for the MIKRO FORUM, turn onto "Bahnhofstrasse" from the L405. After following this road ca. 100 m, turn left onto local road K4 in the direction of Kriegsfeld/Nieder-Wiesen. Follow this road for approximately 1 km to "An der Schanz" (opposite the Hadselmühle). Turn right and follow this road uphill to the Mikro Forum and SCC.
